

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Children's Hospital of Michigan

DMC DETROIT MEDICAL CENTER

Children's Hospital of Michigan has been a top three referral source for Make-A-Wish Michigan through these many years. Since 1984, Make-A-Wish Michigan has granted more than 2,700 wishes to children in southeast Michigan and they are a key partner in helping us connect with Michigan children and families. We are so grateful for the continued support of Children's Hospital of Michigan in making wishes come true and thank their team for great care and collaboration in serving children in our community.

"It is great to offer some light in the days of families in such duress. **It is very empowering as medical professionals to have an organization who helps families look forward** as opposed to living day to day."
