

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Greater Michigan
Chapter

Associated Builders and Contractors Greater Michigan Chapter has been a friend to Make-A-Wish Michigan since across the decades. ABC has held an annual dinner dance event for the past 29 years – raising more than \$486,000. At each year's event, they celebrate the wish families they have been involved with and invite these families back year after year to join in the fun. ABC has been responsible for making incredible wishes come true for Michigan children.

“Impacting children within our region and **being able to make just a small difference in their lives** as they go through struggles most people can't imagine is something that ABC staff and members are very passionate about.”
