

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Since 1998, Amway has been part of the Make-A-Wish family. The Amway One by One Campaign for Children engages communities around the world in causes that support children in need. Here in Michigan, wish children benefit from this incredible company year round as they fund multiple wishes and even host our annual holiday party for wish families in West Michigan. Amway has donated more than \$300,000 to make dreams come true for wish children.

“Amway is pleased to be recognized with other great companies and individuals within our community as a Leader in Joy for Make-A-Wish. **Working together we all make a difference for the greater good, and there is no greater good than these children and their families.**”
