LEADER IN JOY

Barbara Emmons

Barb's passion and dedication to bringing hope, strength and joy to wish children are truly inspiring and have been a game changer for our organization. As a wish-granting volunteer, she has participated in more than 90 wish teams, supported fellow volunteers' efforts and helped coordinate fun-filled wish activities like the annual Lansing holiday party. Not only is Barb quick to sign up for wishes in the Lansing area, she exemplifies a high standard of volunteer service, leadership and collaboration throughout the state.

"To be a part of enriching a wish kid and their family with hope, strength and joy is **the most rewarding thing I have ever done.** It is a feeling that will never get old... it just gets stronger!"

- Barbara Emmons
