

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Helen DeVos Children's Hospital of Spectrum Health

Helen DeVos Children's Hospital of Spectrum Health is an incredible referral partner for Make-A-Wish Michigan. The staff not only provide excellent medical care, they also focus on children's emotional well being by working together and collaborating to bring hope, strength and joy to the children we both serve. They have been a game changer for our mission, serving as the primary referral source for us in west Michigan and have been one of our top two referral sources in the state.

"Helen DeVos Children's Hospital of Spectrum Health has been an incredible referral partner for us bringing hope, strength and joy to the children we both serve.

They have been a game changer for our mission."

- Karen Davis,
Make-A-Wish Michigan President & CEO
