

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Don and Lee Hamilton

Don and Lee's son Christopher realized his wish to meet Hulk Hogan in 1987. Since then, Don and Lee have been tremendous advocates for Make-A-Wish, and speak with passion about how Christopher's wish allowed him an emotional boost and respite from his challenging medical battle. Don has served as a board member, a national advisory council member, and is currently the chapter's only emeritus board member. Don and Lee's generosity and support have allowed countless children to experience a time of uplifting hope and joy in the midst of their serious health challenges.

"Don and Lee are longtime, extraordinary friends of Make-A-Wish Michigan and **represent the strength and joy that support this organization.** We are truly thankful and honored for their continued support."
