

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

The Greenridge Dream Team Foundation makes wishes come true in a remarkable way. Since 1999, Greenridge employees have donated generously to the Dream Team Foundation, which in turn funds wishes for children in the communities that Greenridge serves. Not only do their employees fund these wishes, they also organize incredible wish enhancement parties for our kids and ensure wishes are granted with magical touches all along the way. In all, Greenridge employees have donated more than \$640,000 to Make-A-Wish Michigan and are on track to grant their 100th wish.

“It is such a rewarding experience each time we are involved with granting a child’s wish. **Every story touches our group and our organization, and we are grateful to be able to provide a contribution of hope for these families.**”
