

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Joshua Kazmierczak

When Joshua's wish to visit *Walt Disney World*® Resort was granted on Jan. 30, 1984, the wish-granting movement in Michigan began. That year, 15 wishes were granted to Michigan children. Joshua represents all of the courageous Michigan kids who are a daily source of inspiration for the Make-A-Wish Michigan family, and his legacy as our first wish child serves as a powerful reminder of how a child's heartfelt wish can truly change the world for the child and all involved.

"Joshua's wish set Make-A-Wish Michigan in motion, and the wishes of **more than 8,000 children have been built on this wonderful young boy's shoulders.** It's truly inspiring to see how our Michigan community has continued to *share the power of a wish*® for the past 30 years."
