

MAKE-A-WISH® MICHIGAN

# LEADER IN JOY

## Gordie and Karen Roedding

For more than 24 years, Gordie and Karen have been making wishes come true and volunteering through all aspects of the organization. From caring service as wish-granting volunteers, to support and advocacy of our mission at events such as the Heroes Hurrah finish-line celebration during the Wish-A-Mile® Bicycle Tour, Gordie and Karen are wonderful champions of our wish kids. Their generosity of time, talents and personal support make them true Leaders in Joy for Make-A-Wish Michigan and our mission.

**“Being able to provide a sick child with a wish of their dreams and a reprieve from doctor’s visits, treatments and pokes is priceless. Seeing the smiles and excitement on their faces is what it is all about.”**

- Gordie and Karen Roedding
