

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Macy's is a national partner for Make-A-Wish accomplishing tremendous support through a variety of annual programs, including Thanks for Sharing and Believe. Through the 10 years of this partnership, they have made us all believe in the magic of Macy's as they donated millions nationwide to Make-A-Wish, with more than \$1.5 million donated to Make-A-Wish Michigan in support of Michigan kids' wishes. We are so grateful to Macy's for their incredible support of our wish kids and families.

"Macy's has been an outstanding supporter of our wish children. We're so pleased to recognize them as a Leader in Joy for all that they do to bring hope, strength and joy to Michigan children battling life-threatening medical conditions."
