

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

With support dating back to 1991, Meijer has been one of the most consistent and significant partners of Make-A-Wish Michigan. We are humbled by both the corporate generosity and the Meijer family support that we have received throughout our history. Meijer currently sponsors each of our statewide signature events, allowing them to flourish and raise much-needed funds and friends each year. Meijer has contributed nearly \$400,000 in cash and in-kind support to our chapter, and we are so grateful for their tremendous support.

“While Meijer is pleased to support many worthwhile organizations, the efforts of the Make-A-Wish Foundation to grant wishes for children and youth with life-threatening medical conditions are truly inspirational. **Our primary customer base is families, so we are proud to support an organization that provides joy to so many families in our community.**”
