

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Make-A-Wish® Michigan greatly appreciates the support of the entire Detroit Pistons organization and its players over three decades of wish granting. This special partnership has been invaluable as the Detroit Pistons enthusiastically and actively support making a difference in children's lives. From wishes to meet players to special Make-A-Wish evenings at the Palace, the Detroit Pistons provide smiles and joy as they continue to be great friends to our wish kids.

"Any opportunity to partner with Make-A-Wish, especially when it involves helping to fulfill a child's wish reflects what our company hopes to do each and every day – provide smiles and opportunities to the greater community. The partnership to fulfill dreams for children dealing with such immense obstacles is unlike any other."
