

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Derrick Stange and Wish-A-Mile® Bicycle Tour co-founders

In 1985, Derrick decided to start cycling as a means to stay healthy. He set a lofty goal with a Canton to Mackinac ride – inviting three work friends to join him. This ambitious group decided to raise funds for an organization and selected Make-A-Wish Michigan, and our beloved Wish-A-Mile Bicycle Tour (WAM) was born. WAM and its supporters have changed the landscape of Make-A-Wish Michigan, enabling the granting of a countless number of wishes and connecting us with thousands of new friends to help make wishes come true.
