

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Stars Collegiate Groups

Formed in 2002, the MSU stars have already raised more than \$125,000 for Make-A-Wish Michigan. Proving that college students can band together to make an important difference, the

MSU Stars have also spent their precious free time with our mission in mind. Through a variety of fun, energetic and campus-based fundraisers, these Spartans have certainly made a difference to the dozens of wish children that their efforts have helped.

“Being involved with Make-A-Wish Michigan is **more than just being a part of an organization/club. It is a family that comes together** for the shared vision of granting wishes in the Lansing community and across Michigan.”

- MSU Stars

Since 1998, college students at the University of Michigan have raised funds in a variety of ways to ensure that wishes continue to come true in our state. Whether through bowling outings, chicken

wing eating contests, Easter egg hunts, or through their very own on-campus “wish ball”, U-M students have devoted countless hours and much heartfelt labor to ensure that funds are funneled from their campus community to our mission. In all, Michigan students have raised an impressive \$200,000 for wishes to come true.

“MStars has had the privilege of spending time with many incredible wish kids through Make-A-Wish **who have inspired us along the way with their genuine happiness and appreciation.** It has been such a joy to work with each family and the Foundation over the years.”
