

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

In 1999, Wish-A-Mile's Team Alex formed to honor the memory of Alex, an incredible young lady whose life inspired so many in our Michigan community and beyond to do good deeds, share smiles and be kind to each other. Raising \$45,000 in that first year, this compassionate and inspiring "family" of supporters has

grown and engaged thousands in our mission. In 16 years of riding and raising funds for Make-A-Wish Michigan, Team Alex has raised a stunning \$3 million to help grant wishes to other Michigan children like Alex.

"Team Alex and Make-A-Wish Michigan are focused on the same goal of spreading hope, strength, compassion and joy. Team Alex members have responded to Alex's wish for tolerance, sensitivity and understanding toward children or really anyone with a difference, illness or disability by helping grant hundreds of wishes. Her message of 'Try a smile, we could use it' continues to resonate."
