

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

In 2007, Rob Grainger and six other cyclists rode the Wish-A-Mile 300 to honor the memory of Taylor, Rob's beautiful daughter. The following year, Rob recruited 20 cyclists and Team Taylor was officially formed. The team has grown from seven cyclists to nearly 100 and has donated more than \$1 million to Make-A-Wish Michigan. Team Taylor's spirit of giving back is a direct reflection of Taylor's own spirit of generosity and compassion for others. We are honored to have a part in Taylor's legacy and are inspired by what Team Taylor has accomplished for so many children in our community.

TEAM TAYLOR

"Team Taylor honors Taylor's life and giving spirit by raising funds so that sick kids and families may enjoy some 'wish' time. The local businesses that support Team Taylor enjoy the camaraderie of our team and the amazing feeling of goodwill toward kids with life-threatening medical conditions."
