

MAKE-A-WISH® MICHIGAN

LEADER IN JOY

Dr. James Fahner

Dr. Jim Fahner is a tremendous advocate for Make-A-Wish Michigan, an extraordinary community connector, a front line care provider for wish kids and overall champion of children. With 13 years of volunteer service on our Board of Directors, Dr. Fahner continues to inspire us with his leadership and dedication to making a difference for others. He currently serves as our chapter medical advisor and also on a national medical panel of advisors for Make-A-Wish® America. We are deeply grateful for Dr. Fahner's support in making wishes come true.

"My involvement with Make-A-Wish Michigan is inspired by the children I care for each day at Helen DeVos Children's Hospital whose lives have been touched by the positive power of a wish. **I am deeply honored and humbled by this very special recognition.**"
